Really thought this was gonna be a colored chapter, because every first chapter of a new volume was one (as far as I can remember, so don't take my word for it). Not that I'm gonna complain.

Editors rant

This took a really long time. I'm busy at work right now, but still I'm still surprised it took this long. I didn't put as much work into evening out the facecolors out and adjust them to eachother. I just blended the tones a bit better and spread the colors throughtout the skin parts of the picture where they didn't. And every other bit of color in the pictures was smoothed as well.

Luckily, there are only about 31 of these color chapters left. I did a quick count and as the series goes on there are less of them in the volumes. Later on it's just one and sometimes even none for one chapter. Which means, I already 1/3 done with them.

Normally I'd do a Kenshin chapter after these last two Dragonball chapter, but since this took so long, I'm gonna do another DB. Yay, I guess.

this is a v2
AFTER BECOMING AMAZINGLY POWERFUL AT KARIN TOWER, GOKŪ FINALLY DEFEATED TAO BAIBAI...AND IN ORDER TO REVIVE UPA'S DECEASED FATHER WITH THE HELP OF SHENLONG, HE SETS OUT TO SEARCH FOR THE REST OF THE DRAGONBALLS... THERE ARE THREE LEFT, AND THE NEXT TARGET IS...

HUH ?
THERE ARE TWO BALLS HERE NOW...
EVEN THOUGH THEY WERE APART EARLIER ...

MY GRANDPA CLIMBED IT A LONG TIME AGO, RIGHT? KARIN TOWER!
WHA-AAAT ?!

Y-YOU CLIMBED IT?! KARIN TOWER?
?
YEAH! I MET KARIN-SAMA TOO!
AND DRANK SOME WEIRD WATER!

S...SO THAT'S IT...THAT'S WHY YOU'VE GOT-TEN SO MUCH STRONGER...
WH WHAT A BOY IT EVEN TOOK ME THREE YEARS JUST TO DRINK THAT SUPER HOLY WATER

WHAAAAT? YOU GOT A WHOLE 6 DRAGONBALLS ALREADY AND YOU STILL HAVEN'T FOUND YOUR GRAND-PA'S?
THE DRAGON RADAR BROKE AGAIN! FIX IT, PLEASE!

OH YEAH, BULMA !!
WHAT ARE YOU TALKING ABOUT?

YOU'RE SUCH A GOOD PERSON, GOKŪ-SAN!
HOH...

I GOT THE SUU-SHIN-CHUU,
BUT I PROMISED THIS GUY UPA THAT I'D ASK SHENLONG TO RESURRECT HIS DAD, WHO WAS KILLED BY THE RED RIBBON GUYS!

ヒュウウウ－－－－ン

WELL, EITHER WAY, WE CAN'T FIX IT HERE. LET US GO BACK TO KAME SENN N'S HOUSE FOR THE TIME BEING.
OKAY!

THAT K D'S GETTING STRONGER AND STRONGER!
HE REALLY IS SOMETHING!

HE MIGHT EVEN BE STRONGER THAN ME NOW...
EHHH?! T-THAT STRONG ?!

HE DESTROYED THE RED RIBBON ARMY ALL BY HIMSELF .....
I REALLY DOUBT I'D HAVE THE STAMINA TO TAKE ON THAT LARGE OF A FORCE ALONE...

HO HO HO... HIS POTENTIAL REALLY KNOWS NO BOUNDS! I'M SURE GOKŪ WILL KEEP GROWING STRONGER AND STRONGER AS TIME GOES ON.
HIEEEHH ......

SO IF ANY OF US HOPE TO WIN IN THE NEXT TENKA-ICHI BUDŌKAI...THERE'S NO WAY WE'LL BE ABLE TO STAND UP TO HIM WITH THE MERE TRAINING WE'VE DONE UP UNTIL NOW.
EXACTLY.
GAAAN!

EVEN THOUGH ONLY A LITTLE BIT AGO, WE WERE JUST ABOUT EQUAL...
MAYBE I'LL JOIN HIM ON HIS SEARCH FOR THE LAST DRAGONBALL AND DO SOME TRAINING...
I-I GUESS I'LL GO TOO,
THIS IS STRANGE ......

KAME HOUSE

NOT ONE PART OF IT IS BROKEN ...
BUT THE LAST DRAGON-BALL WON'T SHOW UP!

DO YOU THINK IT COULD'VE WENT FLY-ING INTO SPACE?
THERE'S NO WAY IT WOULD'VE FLOWN THAT FAR!

UNTIL SOME POINT, IT SHOWED ALL 7, THOUGH.

...WHICH MEANS ......
THAT SOMETHING MIGHT HAVE SWALLOWED THE DRAGONBALL ......

SWAL-
LOWED?! A
DRAGON-
BALL?!
THAT'S
PROBABLY
WHAT THIS
MEANS.
IF A DRAGON-
BALL'S UNIQUE
ELECTROMAGNETIC
WAVES ARE SUR-
ROUNDED BY A LIVING
BEING, THEN THE
RADAR WON'T
CATCH IT.

DOES THAT
MEAN THERE
IS NO WAY TO
SEARCH FOR
IT, THEN?
I SUPPOSE.
THERE IS
NOTHING WE
CAN DO BUT
GIVE UP!

THERE
IS NO ONE
STUPID ENOUGH
TO SWALLOW
SOMETHING
LIKE THAT!
A ANIMAL
MIGHT HAVE
SWALLOWED
IT. LIKE AN
ALLIGATOR
OR A HIPPO,
BY ACCI-
DENT!

BUT
IT MIGHT
COME OUT
IN SOME-
THING'S
SHIT!
THAT'S
A REALLY
GROSS WAY
TO PUT IT...
I WONDER
IF IT'LL COME
OUT IN ONE
PIECE...

O-OH
MAN...
WHAT
SHOULD
I DO...

WELL
THIS
STINKS
.....
RIGHT
WHEN I
FINALLY
GOT 6...

IF YOU GO TO URANAI BABA'S PALACE,
SHE'LL SURELY TELL YOU WHERE THAT DRAGON-BALL IS.

URANAI BABA'S PALACE?
WHAT IS THAT...?

WHENEVER I CAN'T FIND SOMETHING, I ALWAYS GET URANAI BABA TO DIVINE IT'S WHEREABOUTS FOR ME. SHE'S ALWAYS ON THE MARK.

HAHA-HAHA-HAH!!!

I'M A LITTLE SCARED .....
IT'S FINE! I FELT THAT WAY TOO AT FIRST, BUT THERE'S A LOT OF DIFFERENT STUFF OUT HERE, IT'S REALLY FUN!

I WONDER IF I CAN EVER BECOME STRONG LIKE YOU, GOKŪ-SAN?
SURE YOU CAN! ONCE YOUR DAD COMES BACK TO LIFE, JUST GET HIM TO TRAIN YOU!

THIS IS UPA!

Goku was right, Kuririn really lost quickly. Maybe he should've thought about his future then and there. I mean, Kudos for trying to save the world all these times despite the difference in strength, but really, Goku is already way stronger at this point. Maybe Kuririn should've taken the Mister Satan road. Impress normal people with his slightly enhanced strength and live off that.

I have some things to take care of this week, so I won't be able to start on the next one until the weekend probably.

Off to fight three, which will also probably only take 1 chapter. But only after I've been off to Kenshin. Last chapter of the volume there, which is a special backflash chapter. But for the volume release I also have to look over the first few chapters, since I missed some mistakes in the translation in the beginning. Need to find those and do a v2 for them. Plus, the chapter is 30 pages long. So I don't know how long it'll take and when I'm back on Dragonball.

Oh, I forgot: BOOBS.

So here it is. My hand still isn't back to normal. And not just when it comes to how I can bend, twist and put a strain on it. It pinches and stings pretty much all the time. But at least I can scanlate again to some degree.

-This right here is the last chapter for which molokidan has provided a translation before he stopped. I never expected him to be around till I get to the end, so it's no shock. I'm glad I got his help on at least 1/5 the of the manga. But let's not kid ourselves. The quality of the translation will take a big hit. Translators are always hard to find, especiall for a already finished manga, that is hated as much as Dragonball. So I'm gonna come up with a translation of my own from the german volumes I have, and the english lq scanlation. I'll try to go with the real names as we have until now, if wikipedia provides the info I need.

MUTEN RŌSHI-SAMA, BULMA-SAN, YOU'RE HERE !!
YOU ARE JUST NOTIC NG NOW...?
PEACE!

HEY, IS THAT OLD LADY URANAI BABA?
YES.

THEN IF YOU CAME TO ASK HER ABOUT THE DRAGON-BALL,
WHAT ARE YOU DOING FIGHTING LIKE THIS ?

URANAI BABA USUALLY REQUIRES AN EXORBITANT PRICE FOR HER FORTUNES.
PEOPLE WHO CAN'T PAY UP, HOWEVER, CAN GET A FREE FORTUNE FROM DEFEATING HER FIVE WARRIORS.

YOU'RE JUST AS GREEDY AS YOU'VE ALWAYS BEEN,

Dragon Ball returns. There was a little delay, but I think it was well worth it. Last chapter was the last one molokidan translated before quitting fan translations. I was looking at doing that part myself too, which wouldn't have been of the same quality. But just at that moment a reader put me in contact with another translator that was interested in doing the job (who would've thought). He wants to remain anonymous, so there won't be a name (he's "You-don't-know-who" *gg*)

It took some time to talk about how to handle it before we could continue. Obviously, we didn't want a sudden break in the translation style. But he also wants to add something new to the style of the translation. Not being able to understand japanese I was surprised to learn that there are different ways of how characters talk in the written form too. Instead of everyone pretty much talking the same way, like in the past, we will now add these differences. Goku is the best example. He is quite the hick and does have something like the japanese equivalent of a southern accent. When he turns into a Super Saiyan he actually talks different in that form. It's really intersting, so we'll add these changes from now on. We're still in the process of talking and trying to come up with a final concept that we both like, but these changes will be included either way.

I think this will add a little more depth, while keeping the quality way up there. And I know we will all appreciate the result.

Well, there it is. From now on we'll include macrons, so Gokuu changes to Goku. Took some time to edit the fonts to include them, but I finally did it. On to the notes.

Ackman

Directly transliterated as Akkuman, this guy's name is a pun combining the Japanese word for devil, akuma, with the English word "man". In addition, the k sound is doubled from ku to kku, the same way many English words that contain ck sounds are written in Japanese. For instance, the English word "backpack" is written in Japanese as bakkupakku. This DB character happens to have the same name as the devil protagonist of Toriyama's short manga Go! Go! Ackman. Since in that case Toriyama himself spells the name as "Ackman" when writing it in alphabet letters (the series' title is written in English, same as with Dragon Ball), I felt it was best to use the same spelling for the Dragon Ball character.

Devilmite Ray

Akumaito Kousen in Japanese. Kousen refers to a beam or a ray, like with lasers or beams of light. Akumaito combines akuma ("devil", as previously mentioned) with the English word dynamite (dainamaito in Japanese); note that the ma at the end of akuma combines with the one at the start of maito. Since half the pun is on an English word, and here akuma isn't written in kanji like it normally would be but in katakana (the script for foreign words), I figured it made the most sense to translate the attack name out. Also, since the ku sound in akuma isn't doubled here like it is in Akkuman, I didn't call it the "Ackmite Ray".

Just gonna repeat the notes, since the second one was meant for this chapter. But I didn't wanna split them up, so...

Ackman

Directly transliterated as Akkuman, this guy's name is a pun combining the Japanese word for devil, akuma, with the English word "man." In addition, the "k" sound is doubled from ku to kku, the same way many English words that contain "ck" sounds are written in Japanese. For instance, the English word "backpack" is written in Japanese as bakkupakku. This DB character happens to have the same name as the devil protagonist of Toriyama's short manga Go! Go! Ackman. Since in that case Toriyama himself spells the name as "Ackman" when writing it in alphabet letters (the series' title is written in English, same as with Dragon Ball), I felt it was best to use the same spelling for the Dragon Ball character.

Devilmite Ray

Akumaito Kousen in Japanese. Kousen refers to a beam or a ray, like with lasers or beams of light. Akumaito combines akuma ("devil," as previously mentioned) with the English word dynamite (dainamaito in Japanese); note that the ma at the end of akuma combines with the one at the start of maito. Since half the pun is on an English word, and here akuma isn't written in kanji like it normally would be but in katakana (the script for foreign words), I figured it made the most sense to translate the attack name out. Also, since the ku sound in akuma isn't doubled here like it is in Akkuman, I didn't call it the "Ackmite Ray."

YA' DON'T SEEM VERY STRONG EITHER.

WH-WHAT WAS THAT .....?!
WHY YOU, HOW DARE YOU SPEAK SUCH INSO-LENCE TO A DEVIL...!!

WHADDAYA DOING, ACKMAN?! TAKE CARE OF HIM RIGHT THIS INSTANT!!
